Subject: Changes to the Quota Transfer System (QTS)

In 2022, Egg Farmers of Ontario (EFO) embarked on a thorough review of the Quota Transfer System (QTS), through a third-party consultant which included farmer consultation and market research.

This comprehensive review has been completed. At its August 2, 2023 meeting, the EFO Board approved that:

1. Effective January 1, 2024, the QTS price will be adjusted to \$391/bird for layer quota and \$33/bird for pullet quota;
2. 2024 will be considered an observation period, with the prices remaining stable at \$391 and \$33 per bird for layer and pullet quota respectively; and
3. Given the changes to the QTS price, QTS-3-2023 will be cancelled.

More details will be shared in the near future.
